ABOUT US

## ABOUT US

**THE ORLANDO URBAN FILM FESTIVAL (OUFF) IS A "MOVIE AND MUSIC SHOWCASE" AND IS CELEBRATING ITS 10TH ANNIVERSARY. OUR GOAL IS TO HELP FILMMAKERS AND MUSIC PRODUCERS EXPOSE THEIR CREATIVE PROJECTS THROUGH PUBLIC PLATFORMS.**

The OUFF Team has helped build the careers of many of today's superstars. OUFF is energized by the diversity and inclusion of all types of cultural films, movies, documentaries, videos, shorts, clips, music and photography from content creators globally.

We honor and award the best talents and do not exclude entry to any creative works from other cultures. Creators' works are displayed on the "BIG SCREEN" in major movie theaters.

The OUFF Young Directors and Artists Program educates young people on how to communicate and express their feelings through the use of reading, writing and the visual arts (images, audio, media).
